6.04.040 Relation to other laws.

6.04.050 Applicability.

6.04.010 Policy.

A. The Board of Commissioners of Hood River County recognizes that Oregon Revised Statutes Chapter 609 grants counties the power to regulate dogs by ordinance and that on June 26, 1979, the electors of Hood River County voted against allowing dogs to run at large in Hood River County. Pursuant to the vote of the electors and to Oregon Revised Statutes Chapter 609, the Hood River County Board of Commissioners declared Hood River County to be a dog control district.

B. The board further recognizes and finds that the regulation of dogs is a matter of county concern and therefore, Oregon Revised Statutes Chapter 203 provides a separate and independent legal basis upon which to enact this title. Pursuant to both Oregon Revised Statutes Chapters 203 and 609 the board finds it necessary to implement a program for the licensing and regulation of dogs: to protect the health, safety and welfare of the residents and citizens

of Hood River County; to recognize the property rights of both owners and non-owners of dogs; and to provide for the control and protection of dogs located in the county, the board does enact this title. (Ord. 123, § 1.1, 1983)

6.04.020 Purpose.

This title is enacted to provide a procedure and program for the implementation of the policy described in Section 6.04.010 to set forth the requirements for licensing, regulation, care and treatment of dogs and to describe the activities in relation thereto which shall be prohibited in Hood River County. (Ord. 123, § 1.2, 1983)

6.04.030 Title.

This title shall be known as the "dog control ordinance." (Ord. 123, § 1.3, 1983)

6.04.050 Applicability.

This title shall apply to all of Hood River County save and except those incorporated areas within Hood River County which have established their own dog licensing and dog control programs. (Ord. 123, § 14.1, 1983))
